

Spiritual Conversation Course 2020-21 Information Sheet

Spiritual accompaniment in the Ignatian tradition is based on the assumption that God is present and active in our lives and that through reflection and prayer we can become more sensitive to this presence. It is often in our deeper conversations with others that this awareness comes to the surface.

Purpose of the course

The Spiritual Conversation Course is a complete course in itself. It is intended to enhance listening skills and **awareness of God's presence in the many contacts and conversations we have in our day to day lives. It is based** in the Ignatian tradition, drawing its inspiration from the Spiritual Exercises of Ignatius of Loyola. As a broad-based course it is expected that participants will find different uses for what they learn. A significant part of the course will involve ongoing discernment for each person about whether, and in what ways, they are called to accompany others in faith.

Topics covered in the course

Module 1: Listening Skills.

Module 2: Personal Prayer – Ways of Praying

Module 3: Ignatian Discernment.

Module 4: The practice of Spiritual Conversation in daily life.
