

Making Payments to the ISC from Outside UK

There are a number of methods of sending us funds, please read the following carefully and choose the best option for you.

We usually recommend that people sending money to us from a non UK bank overseas use a service called Wise (formerly known as TransferWise)

If you are not resident in Europe, USA, Canada or Australia then please click the following link for full details about Wise (and to get a discount on fees): <https://transferwise.com/u/e88e58>

IMPORTANT NOTE:

Please DO NOT send a non UK currency transfer to our UK Bank account – this will cost us and you significant bank charges. (e.g. please don't send Euro or USD to our GBP account). If you want to send us money in a non UK Sterling currency then we have different accounts where you should send that – see below)

Once you click the above link you will most likely need to register with Wise (which is free) to use their service

- If Wise ask for *OUR* contact email please state finance@iscglasgow.co.uk
- If they ask for a contact name at the ISC please give John Hampsey.

Funds can then be transferred electronically to the following account:

Account Name: Society of Jesus Trust of 1929 for Roman Catholic Purposes or 'ISC Glasgow'
IBAN: GB16CAFB40524010400561
